**FOR IMMEDIATE RELEASE**

01/27/25

WEEK ONE: The Wins Keep Piling Up

President Donald J. Trump's first full week back in office was the most significant in modern history, punctuated by strong, swift action to correct course after four years of disaster.

In just one week, President Trump took more than 300 executive actions, secured more than a trillion dollars in U.S. investment, oversaw a significant drop in illegal border crossings, deported criminal illegal alien rapists, gang members, and suspected terrorists, and restored common sense to the government.

In just one week, President Trump has done more to usher in the Golden Age of America than most presidents do over their full term. As [the New York Post put it](#), President Trump "is already hitting the ground running as his first 100 days in office are off to a historic start" — **and the best is yet to come.**

President Trump is securing the homeland.

- Secretary of Homeland Security Kristi Noem was [confirmed](#) by the U.S. Senate with bipartisan support.
- A National Border Emergency has been [declared](#).
- Construction [resumed](#) on the U.S./Mexico border wall.

- Deportation flights of criminal illegal aliens [ramped up](#).
- U.S. military troops are being [deployed](#) to assist in securing the southern border, while the Coast Guard is [surging](#) assets to the Gulf of America.
 - [U.S. Northern Command](#): "Active-duty Marines and Soldiers continue to deploy and are integrating with @USNationalGuard forces already along the border and working together with the @DHSgov and @CBP."
- The so-called "CBP One" app — which "[paroled](#)" more than one million illegal immigrants into the country — was [shut down](#).
- The Department of Homeland Security is [reviewing](#) the parole status of illegal aliens who were allowed into the country under the Biden administration.
- U.S. Immigration and Customs Enforcement and other agencies began targeted operations in cities across the country to enforce immigration law, preserve public safety, and get criminals out of our communities.
 - [Border Patrol Chief Michael Banks](#): "USBP agents and the U.S. Coast Guard apprehended an aggravated felon aboard a small boat in open waters near Puerto Rico. Biometric checks identified Dominican Republic national Ramon Perez-Valdez, who has a conviction for aggravated felony robbery involving a gun and a prior deportation. Additionally, officials will repatriate the 41 undocumented non-citizens on the boat to their home country."
 - [Breitbart News](#): "President Donald Trump's administration arrested 538 illegal aliens on Thursday, ranging from child predators to gang members and a suspected terrorist."
 - [Fox News](#): "Between midnight Jan. 21 and 9 a.m. Jan 22, a 33-hour period, ICE Enforcement and Removal Operations (ERO) arrested more than 460 illegal immigrants that include criminal histories of sexual assault, robbery, burglary, aggravated assault, drugs and weapons offenses, resisting arrest and domestic violence."
 - [The Washington Times](#): "ICE arrested 10 Tren de Aragua gang members, more than 400 criminals in one day"
 - [New York Post](#): "Trump's ICE raids turn up pedophiles, gangbangers, and NY-based suspected terrorist as 538 migrants arrested: 'Heinous crimes'"
 - [Fox News](#): "Trump's ICE racks up hundreds of arrests, including illegal immigrants arrested for horror crimes"
 - [Fox's Bill Melugin](#): "ICE has arrested three more Venezuelan Tren de Aragua gang members, all of whom were previously caught and released at the border by the Biden administration in 2023."

- [ICE](#): “Pablo Beningo Calva-Deamonte, a Mexican national with three DUI convictions, faces removal after his arrest by @ERODenver officers Jan. 22. The criminal alien has already been removed from the U.S. twice.”
- [ICE](#): “Jose Roberto Rodriguez-Urbina, an alleged MS-13 gang member, faces removal after his arrest by @ERONewYork on Jan. 22. He's wanted in El Salvador on extortion charges.”
- [ICE](#): “Adan Pablo-Ramirez, a Mexican national with 2 DUIs, faces removal after his arrest by @EROChicago on Jan. 22. He has an existing removal order from 2019.”
- [New York Post](#): “Feds round up 50 Tren de Aragua members at ‘makeshift nightclub’ in Aurora, Colorado as DEA, ICE hit cities across US”
- [DEA Rocky Mountain](#): “#DEA agents, @HSIDenver @ERODenver @ATF_Denver & local partners conduct an early AM operation targeting drug trafficking & members of the Venezuelan gang Tren de Aragua (TdA). Drugs, weapons, and cash were seized in Adams County. Nearly 50 illegal aliens were taken into custody.”
- [Fox News](#): “ICE arrests nearly 1,000 illegal aliens during sixth day of Trump administration”
- Encounters with illegal aliens at the southern border have “[plummeted](#)” as Border Patrol agents are once again allowed to enforce the law.
 - [NewsNation's Ali Bradley](#): “Border Patrol agents will once again be engaging in pursuits with suspected human and drug smugglers down here at the southern border ... The practice was essentially prohibited under the Biden Administration.”
- The Department of Homeland Security [reinstated](#) use of the term “illegal alien.”
- The Department of Justice [announced](#) it will take action against so-called “sanctuary cities” for obstruction of U.S. law.

President Trump is unleashing American energy.

- A National Energy Emergency has been [declared](#) to unlock our full energy potential and bring down costs for American families.
- Every one of the Biden administration’s job-killing, pro-China, anti-American energy regulations have been [rescinded](#).
- Americans have been [empowered](#) with choice in vehicles, showerheads, toilets, washing machines, light bulbs, and dishwashers.
- The job-killing Green New Scam was [terminated](#).
- The United States [withdrew](#) from the disastrous Paris Climate Agreement, which unfairly ripped off our country.

- New federal leasing and permitting for massive wind farms, which degrade our natural landscapes and fail to serve American consumers, have been [paused](#).
- Bureaucratic regulations, which impeded Alaska's ability to develop its vast natural resources, have been [reversed](#).
- Offshore drilling has been [opened](#) to "drill, baby, drill."
- The Biden-era electric vehicle mandate was [terminated](#).
- The Department of Energy [ended](#) the Liquefied Natural Gas pause and returned to regular order.

President Trump is securing historic investments in American infrastructure and job creation.

- President Trump [announced](#) the largest Artificial Intelligence infrastructure project in history with \$500 billion in planned private sector investment.
- Saudi Arabia [declared](#) its intention to invest \$600 billion in the United States over the next four years.
- After meeting with President Trump, Stellantis [announced](#) it will reopen its assembly plant in Belvidere, Illinois — putting 1,500 employees back to work — and [build](#) its next-generation Dodge Durango in Detroit, Michigan. The company also announced new investments in their Toledo, Ohio, and Kokomo, Indiana, facilities.
- Electronics giants Samsung and LG "are [considering](#) moving their plants in Mexico to the US."
- [The Wall Street Journal](#): "Trump Tells Davos: Make Your Product in America—or Pay Tariffs"

President Trump is re-establishing peace through strength with his America First foreign policy.

- Secretary of State Marco Rubio was unanimously confirmed by the U.S. Senate.
- Colombia agreed to President Donald Trump's terms and will accept flights of Colombian illegal aliens being returned on military planes.
- The Department of State [declared](#) an America First foreign policy.
- The Department of State [issued](#) a "pause" on existing foreign aid grants to ensure accountability and efficiency.
- President Trump [continues](#) to secure the release of hostages held by Hamas terrorists.
- The Iran-backed Houthis were [redesignated](#) as a Foreign Terrorist Organization.

- President Trump [announced](#) “urgent and decisive retaliatory measures” against Colombia for its [refusal](#) to accept repatriation flights of deportees from the U.S.
- The State Department [announced](#) it will “no longer undertake any activities that facilitate or encourage mass migration.”
- Belarus unilaterally [released](#) an innocent American citizen, Anastassia Nuhfer, who was taken during the Biden administration.
- The Department of State [ordered](#) embassies worldwide to only fly the American flag — not activist flags.
- The Mexico City Policy was [reinstated](#) to ensure no taxpayer dollars support foreign organizations that perform, or actively promote, abortion in other nations.
- The United States is [rejoining](#) the Geneva Consensus Declaration, which promotes and strengthens opportunities for women and girls around the world, and protects the family as the fundamental unit of society.
- [Bloomberg](#): “One by One, World Leaders in Davos Fall in Line in Trump Era”

President Trump is restoring common sense and integrity to the U.S. government.

- Discriminatory “DEI” offices, employees, and practices have been [eliminated](#) across the bureaucracy alongside a [return](#) to merit-based hiring.
 - [Fox News](#): “Trump's federal DEI purge puts hundreds on leave, nixes \$420M in contracts”
- The Federal Aviation Administration must [return](#) to merit-based hiring for all positions.
- Affirmative action in federal government hiring has [ended](#).
- All federal employees have been [ordered](#) to return to the workplace.
- It is now the [official policy](#) of the U.S. government that there are only two sexes.
- The weaponization of the federal government against its citizens has [ended](#).
- Censorship by the government against its own citizens has [ended](#) in favor of free speech.
- President Trump [renamed](#) the Gulf of Mexico to the Gulf of America.
- President Trump [restored](#) the name Mount McKinley to North America's highest peak.
- The Department of Government Efficiency was [established](#) to maximize government productivity and ensure the best use of taxpayer funds.
 - [DOGE](#): “In the first 80 hours, approx \$420M of current/impending contracts have been cancelled. 2 leases have also been cancelled. Initial focus is mainly on DEI contracts and unoccupied buildings.”
- Security clearances were [stripped](#) from the infamous 51 “Spies Who Lied” and other intelligence officials who misused the public trust.

- CIA Director John Ratcliffe [released](#) a buried official assessment declaring the pandemic likely originated in a Wuhan lab.

President Trump is returning the Department of Defense's mission to lethality and strength.

- Secretary of Defense Pete Hegseth was [confirmed](#) by the U.S. Senate.
- Secretary Hegseth [declared](#) "no more DEI" at the Department of Defense.
- Secretary Hegseth [outlined](#) President Trump's "Peace through Strength" mission: "We will do this in three ways — by restoring the warrior ethos, rebuilding our military, and reestablishing deterrence."
